DELTA LODGE

BUENOS AIRES, ARGENTINA

Imagine fishing for Golden Dorado less than an hour from city center of Buenos Aires. The Delta Fishing takes place in amidst the serene and lush green islands and channels of delta basin and is a program that will please serious anglers and business travelers alike. Our beautiful Delta Lodge is situated deep in quiet flora-rich nature of the Parana Delta offering the kind of high-quality fishing, guiding, lodging and dining experiences you've come to expect from Nervous Waters.

The Paraná River, the second largest river in South America, develops into an incredible ecosystem and at its end runs into the Rio de la Plata, just outside of greater Buenos Aires. Here you'll find the Delta Fishing Lodge, where our guided fly-fishing programs make their base and call home. This UNESCO designated "Biosphere Reserve" is also a bird watcher's paradise.

We offer two unique options in this incredibly productive area:
